

Chartered in 1987, the C-U Sunrise Rotary Club has been marked by Club activity from the beginning, and growth has been steady with average membership of 45-50.

Our Club has been honored by the District with many awards, most of them in the area of community service. It has always been the club's philosophy to provide ample opportunities for "service" to all its members while retaining fellowship as our foundation. We continue to work together toward this goal.

Rotary is a worldwide organization of more than 1.2 million business, professional, and community leaders. Members of Rotary clubs, known as Rotarians, provide humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world.

There are over 32,000 Rotary clubs in more than 200 countries and geographical areas. Clubs are nonpolitical, nonreligious, and open to all cultures, races, and creeds. As signified by the motto Service Above Self, Rotary's main objective is service — in the community, in the workplace, and throughout the world.
